INFORMATION FOR APPLICANTS

Selection Criteria

1. results in Year 12 as projected by the Principal of each nominating School, as follows:
 - overall: at least HA in 5 subjects
 - for BE: at least HA in Maths B and at least HA in Physics or Chemistry
 - for BInfTech: at least HA in Maths B
2. recommendation by the Principal as to quality of the student's performance, character and suitability for university study
3. evident strong interest in engineering and/or and information technology studies through demonstrated participation in school, extracurricular and community activities related to the nominated degree program.
4. excellent communication, interpersonal skills and demonstrated potential for leadership.

Application to QTAC Essential

In addition to nomination for this direct entry scheme, students will need to apply through QTAC as normal and to nominate the relevant UQ degree (BE, BInfTech) as a preference.

Interviews

Nominees may be required to present for interview by UQ and Education Queensland representatives. Telephone interviews may be arranged for non-metropolitan nominees.

Results

Up to 20 direct entry places will be offered for 2010. UQ will notify successful applicants of the University's commitment to offer them a place in the relevant program/s. The University will also notify unsuccessful applicants. UQ Admissions will ensure that successful students are matched with their QTAC application and provided with a formal offer of a place at UQ.

Related Scholarships

Applicants for Direct Entry are encouraged to make separate application for UQ Academic Scholarships such as the UQ Excellence Scholarships and UQ Merit Scholarships. Please visit www.uq.edu.au/study/scholarships for more information.

INFORMATION FOR SCHOOLS

Procedures

1. Nominations for Direct Entry are being advertised to the Gateway schools during Terms 2 & 3.
2. Individual schools will select students according to selection criteria 1 and 2 above.
3. Schools should submit nominations to the Education Queensland's Head of Department Aerospace Industries (HODAI). Maximum of three applications per school.

Deadlines

Principals of Gateway Schools should submit nominations to the HODAI by **11 September 2009**. Outcomes will be communicated to applicants and schools early in Term 4.
